

Nationally Funded Groups National Grant Awards

Micah Project	\$45,000
The Jeremiah Group	\$25,000

THE
Jeremiah
GROUP

Jeremiah is comprised of religious congregations and other institutions in New Orleans. Its mission is to transform the practice of politics in this City with a focus on reform in public education and affordable housing. Recently, the organization has worked with the city create a soft second mortgage program for first time home buyers worth \$52 million.

The Micah Project is bringing parents together to participate in their children's public schools and to improve the quality of instruction provided to all children as well as working to revitalize the health care system in Louisiana. Their recent efforts to promote non-violence in the city have received widespread attention.

2011 Human Development Award: Byron Encalade

Byron Encalade, President of the Louisiana Oystermen Association, served as a valuable leader in Southern Louisiana in the aftermath of the BP Oil Spill of 2010 by organizing the fishing communities affected by the disaster and demanding accountability from BP for its actions.
